- The new t-shirt design was shown and the outcome of the vote was 5 out of 6 people said yes. Bill, CC, Joe, Ladd, and Janine said yes. Angel said no. 5 out of 6 is approximately 83% a B-.
- Joe arrives.
- Blog: Ladd has turned one into Dianna. Billy has 2 blogs – introduction and one about a TV-show- done and told us that he has his own blog about video games. Angel has begun working on hers. Janine, CC, and Joe are slacking. The book reviews must contain: the plot, the characters and the bare minimum is half of a page.
- The architect is meeting with us May 3 at 10:30 am. The minimum amount of questions for each person is three. A few examples of question are: What color is the library teen room going to be? Is the shelf-design going to be able to change? What does _____ (fill in the blank) mean on the blueprint?

- Summer Fundraisers for TAB: Car washes and bake sales. Goodies the people can make: muffins, cakes, cookies, rice krispies, doughnuts, etc.
- Letters from Dianna- everyone said they liked them. It's a better way for knowing what to do, makes us actually want to do work, and we liked that they were personalized.
- Grades for the meeting are CC: A+, Janine: B+, Angel B-, Ladd: B-, Joe: C+

Meeting adjourned at 10:50.
